

Opinion Essay (VIP)

Essay is all about the ideas and information, if you have more ideas you can write the best essay.

Bodies contains most of the marks

- Agree and disagree
- Do you think this is a positive or a negative development.
- Is this a positive or negative development.
- To what extent do you agree or disagree

Template:

Introduction: Paraphrasing + Opinion

Body 1: (2 reasons of first perspective if agree + explanation + Example)

Body 2: (2 reasons of the second perspective if disagree + explanation + Example)

Conclusion: Summary of both + Opinion

How to write

Introduction (Paraphrasing + Hidden Opinion + 2 agree reasons + 2 disagree reasons)

- **Phrase before paraphrasing the topic:**
- *In an era defined by rapid transformation, few developments have provoked such nuanced debate as [insert topic].*

Amidst accelerating global transformation, this topic has triggered considerable discussion.

- **Paraphrase the topic**

- **Opinion:** While both perspectives could have compelling arguments, I align with the view that offers greater long-term societal and individual benefits.
-

Body Paragraph 1: (Agree Side)

- **Starting line for Body 1:**

Advocates of this perspective present several well-substantiated claims to justify their stance.

- **Phrase to shift to second agree reason:**

Additionally, many supporters highlight that...

Body Paragraph 2: (Disagree Side)

- **Starting line for Body 2:**

Conversely, detractors argue that this stance overlooks critical concerns with far-reaching implications.

- **Phrase to shift to second disagree reason:**

Furthermore, critics emphasize that...

Conclusion (Summary of both sides + Clear Opinion)

- **Line to start Conclusion:**

To recapitulate, ——Summaries both paragraphs here——. Taking all factors into consideration, I am convinced that the side advocating [your position] offers more sustainable and far-reaching benefits.

- **Phrase before 2 reasons of agreement:**

Supporters of this view argue in its favor due to several reasons.

- **Phrase before 2 reasons of disagreement:**

Meanwhile, opponents raise valid concerns about its long-term consequences.
