Reading Tips

Structure your approach	- Glance at the questions (Identify Question type) - Underline keywords from the questions and Skim synonyms of them from the passage
If you couldn't find answer skip it for now	
Understand the question type	Practice each type
Work on your speed reading	- Read the question first - Do not try to understand everything, it will be okay to get idea about context. - Do not subvocalize (read in your head) - Do a lot of practice test
Try different type allocation	Section 1: 15 min ⇒ Skim Passage 1 in 2 minutes Section 2: 20 min ⇒ Skim Passage 2 in 3 minutes Section 3: 25 min ⇒ Skim Passage 3 in 3-4 minutes
If you really don't knowGuess	Consider leave Multiple Choice and True/False/NG questions till last.
Practice at home	Stage 1: Skill development - One passage at a time Stage 2: Complete test

Analyze your mistakes, in which question type.

Stage 3:
