IELTS LISTENING TIPS

1. Practice your concentration skills.	Activate your English before test. - Podcast
--	---

	- Conversation - Video Dealing with stress & distractions - feel prepared - Sleep well - Be surrounded by supportive people - Practice in Exam condition - Train your self
Read and underline the questions between recording	Underline keywords
Pay attention to the written instructions	One word only....
Spelling is important	
Get familiar with different accents	BBC / CNN / Watch Accent video
Focus on two questions at a time, if you loss your focus once	Keywords of two questions
Be careful about traps	
Build your vocabulary and Listening skills	Watch Movies with subtitles , News paper articles, BBC
Practice a lot	Stage 1: - Do one question type at a time.....and practice a lot while finding and correcting mistakes. - Read the transcript and get to know why correct are correct and wrong are wrong. - Work on weakness - Keep records of new words. Stage 2: - Do full IELTS listening test. - Focus on mistakes Stage 3:

	- Do full IELTS test in exam condition.
